Agency to handle future annexations

All future annexations to Daly City will be taken out of the hands of local officials next week.

Governor Brown has signed into law Senate Bill 861 and Assembly Bill 1662 which create in each county a Local Agency Formation Commission to handle annexations to cities and districts.

The proposed Christen Ranch annexation, however, will not be affected since a request to annex to Daly City has already been submitted to the Daly City council by Suburban Realty, developers for the Ranch Land.

Officials have said the new law could in effect, tie up litigation in the courts for several years, because no change has been made in the present annexation laws to take away the right of landowners to stop an annexation.

The commission will become a new county agency after Sept. 20 and will begin operation within 60 days.

Two of its members will be elected by the San Mateo County Council of Mayors.

Two members will represent the county and be selected by the Board of Supervisors from their membership or from county officers.

Daly City at the present time surrounds the Crocker lands on three sides. The Crocker Industrial Park, which at its completion will contain 75 industrial firms, is looked upon by Daly City Chamber of Commerce officials as a prize possession.

South San Francisco and Brisbane also are interested in the Crocker Industrial lands.

Joseph Vercucci, mayor of Daly City, told the County Council of Mayors that the new commission will become one of the most powerful entities in the county, since San Mateo county is the eighth richest county in the nation and undeveloped land, particularly in the north county, is at a premium.

Hearings on two small annexations

The Daly City council last night held a public hearing on the annexation of one city block and a portion of two others.

The annexation, called the Pedemonte annexation, is named after Gus Pedemonte, one of the owners of the Cypress Hills Golf course and a major property owner in the area.

The area to be annexed includes the Broadmoor Police station and the Broadmoor Presbyterian Church. Other property owners include the Callen and Lagomarsino building developers.

Pedemonte plans to build apartment houses on property he owns on 87th, 88th and 89th streets and has requested that multiple dwelling zoning be established in the area.

A public hearing on the zoning application has been set for Sept. 23.

At a planning commission meeting Aug. 13, three Broadmoor residents protested the zoning. They were Thomas Callan Sr., C. W. Smith and Russell Parkinson.

They argued that the area was residential in nature and that apartment houses would create problems of drainage and excessive parking.

'Who gets what' talks on fire district breakup

Talks over the distribution of the Bayshore Fire District continued today between officials of Daly City and Brisbane.

Meetings have been held since Aug. 28 when Daly City Attorney Paul Huff and City Manager Edward Frank met with Brisbane City Attorney Conrad Reisch and City Manager Lanier Brady.

The group extended their talks to Sept. 4 and then agreed to meet today with more figures on the financial evaluation of the district.

The parties are attempting to settle a disagreement over "who gets what" without resorting to court action.

Two studies will be used to determine property and equipment values. One is by Daly Fire Chief Albert Kennedy and the other by Bayshore Fire Chief Herbert Ritzmann.

Brisbane Couldn't See It

The dispute has arisen as a result of the annexation of Bayshore to Daly City which called for dissolution of the Bayshore Fire District.

Brisbane city officials feel their interests in the fire district are being jeopardized. The Bayshore Fire District has served an industrial area east of the Freeway which was recently annexed to Brisbane.

Brisbane wants fire protection in this area by Daly City until June 30, 1964, and a financial distribution of the assets.

Brisbane has obtained a court injuction to halt dissolution of the district until the matter is settled.

Until the dilemna is solved, the Bayshore Fire District men and equipment will continue to serve the original area.

Daly City cannot provide services to its newly annexed territory until the district is dissolved.

URGE SUPPORT — An open call to the public in Daly City and North San Mateo County to support the Mary's Help Hospital fund drive is made by Eugene Hoffman (left), local fund drive office chairman and Frank Curry, former Daly City - Colma Chamber of Commerce president and drive coordinator. A $1,500,000 goal is set.

Volunteers, contributions are sought

A lack of enthusiasm in Daly City and North San Mateo County has been shown toward the current $1,500,000 Mary's Help Hospital fund drive, according to local drive chairman Frank Curry.

Little financial help has arrived from the north county. Over 300 more volunteers are needed.

It is hoped that generous public financial cooperation would help complete the hospital as originally planned.

To provide space for 400 beds it is advantageous to build a 10 floor structure. The three top floors would be in "shell" form, the interior to be finished as needed and when financing becomes available.

If all 10 floors can be completed in the original construction the cost would be fractional as compared with the addition of three floors at a later date.

Judge Harris, chairman of the board of Mary's Help Hospital has asked Gene Hoffman, chairman of the Daly City fund drive office to contact Daly City officials on the importance of North County participation.

$600,000 has already been donated of the million and a half dollar goal for North County, but only two per cent of this money has come from the North County area, the area which this hospital will serve.

Drive chairman Frank Curry encouraged individual homeowners to contribute to the hospital campaign. He said "public spirited volunteers are needed who realize the importance of this project and will go out to work to raise this goal."

The drive has 112 volunteers at present. A total of 468 are needed.

Unlike civic institutions and municipal departments for public protection, safety and education, Mary's Help Hospital has neither access to nor support from municipal tax revenues.

For this reason the financial appeal is directed to the hospital area at large, emphasizing that support must come from those industries, business firms and individuals and other sources who realize its services.

Subscriptions to the Mary's Help building fund should be directed to Mary's Help Building Fund, Room 1101, California St., San Francisco 4, Calif. Phone: EXbrook 2-5113.

Plea for College Revived

San Mateo County State Senator Richard J. Dolwig has revived his battle for a Peninsula State College in view of the announcement that enrollment at San Francisco and San Jose State is to be severely curtailed.

He called for public support of his request that Governor G. Brown include upon his special call list for legislative action in the 1964 session the establishment of a new State College in San Mateo County.

"It seems clear to me the plan to limit San Francisco State to 12,000 students, and San Jose State to 15,000 confirms the short-sightedness of Governor Brown's veto of my Senate Bill 52, which would have required the coordinating council for Higher Education to decide in 1964 on a San Mateo State College," Dolwig said.

Dolwig's $7,000,000 San Mateo County State College site acquisition bill, modified to require coordinating council action by March 1964, was vetoed by Brown on the grounds that further time was needed to complete the master plan.

In April of this year before the coordinating council Senator Dolwig predicted the high school graduate increase on the Peninsula would reach critical proportions in relation to available college facilities before a Peninsula State College could be constructed "even if we start right now."

"Shortly after that the State Board of College Trustees issued a report fully documenting the immediate need for an additional State College and designated a San Mateo County State College as the Number One priority in the State. The coordinating council, however, refused to accept this recommendation because it meant modifying the master plan before 1965," Dolwig said.

"No matter how you cut it," Dolwig said, "the figures showed San Jose and San Francisco State College enrollment was near capacity, and the best way to relieve the situation was to build a new state college on the Peninsula to relieve the problem now." The Assembly and Senate agreed by passing the bill.

Dolwig said the report Thursday that the State Colleges Educational Policy Committee voted to restrict enrollment at the two colleges "sub-

Mental Health fund drive total $22,000

The Mental Health Association of San Mateo County announces contributions to its annual fund drive total $22,220.53 to date.

The drive, launched by the Bell Ringer March for Mental Health in May, raises funds for its volunteer and educational activities in the county, and its part in the research program pursued by the National Association for Mental Health.

North County contributions to the organization are as follows: Daly City and Colma, $612.35; Pacifica, $265.26; South San Francisco, $1,029.14, and San Bruno, $1,089.99.

County plans move forward

Cooperative road program

Following provisions of Resolution 18830 passed by the Board of Supervisors July 25, 1963, steps are now going forward to put the joint city-county highway program into effect under the new one-cent gas tax allocated to counties and cities.

It is estimated that the cooperative plan will raise $27 millions (including matching funds) in the next eight years. Under this schedule it would be at least 1973 before the first phase of the Nolte report could be completed.

A nine-man sub-committee will work out the entire formula for project selections. Decisions would then go to the Board of Supervisors and all participating city councils for their approval or rejection.

The committee is made up of Councilman Wallace Benson of Belmont, Councilman Kenneth Van Gundy of San Mateo, City Manager John R. Johnson of Menlo Park, **City Engineer William Chapman of Daly City,** Planning Director Evert Kincaid of San Mateo, Supervisor T. Louis Chess and County Manager E. R. Stallings. **The Council of Mayors named Richard Schroeder of Brisbane** and the supervisors picked William Morton of Burlingame as citizen-at-large members. County Engineer Don S. Wilson will act as advisor.

The cities with six representatives to three for the county will have vote control in the committee. Supervisor Chairman James V. Fitzgerald, who heads the 31-member Greater Highway Committee points out the joint efforts are aimed at meeting the county's most critical traffic problems without considering municipal boundaries.

Matching funds must be provided by both the county and the cities. Such money, however, cannot come from other gas or motor vehicle tax sources. This leaves sales tax or even property taxes to meet provisions of the new legislation. It should be emphasized that this new money is from the one-cent additional gas tax bill passed by the legislature to assist county and city road problems.

The committee is expected to base its considerations of project priorities on phase one of the Nolte report. Outlined programs in the unsuccessful bond election were picked as the most critical and listed as a "must" for construction by 1970.

Any city that remains out of the cooperative plan would not be eligible for joint funds. Half Moon Bay can be expected to receive $50,000 in the next four or five years from the new tax. Going it alone, it would take 10 years to finance a small $100,000 project. If a member of the city-county plan, such a project could be financed in a single year if and when it is selected by the committee. It is true a city could contribute several years before work actually starts on its road needs, but funds accumulated collectively will correct inter-city and cross-county laterals much faster than if done on an individual city basis.

Until the makeup of the participating cities is certain, no study on project selections can start. Indications at the present time are that most of the cities will join, while three have intimated that they will go it alone.

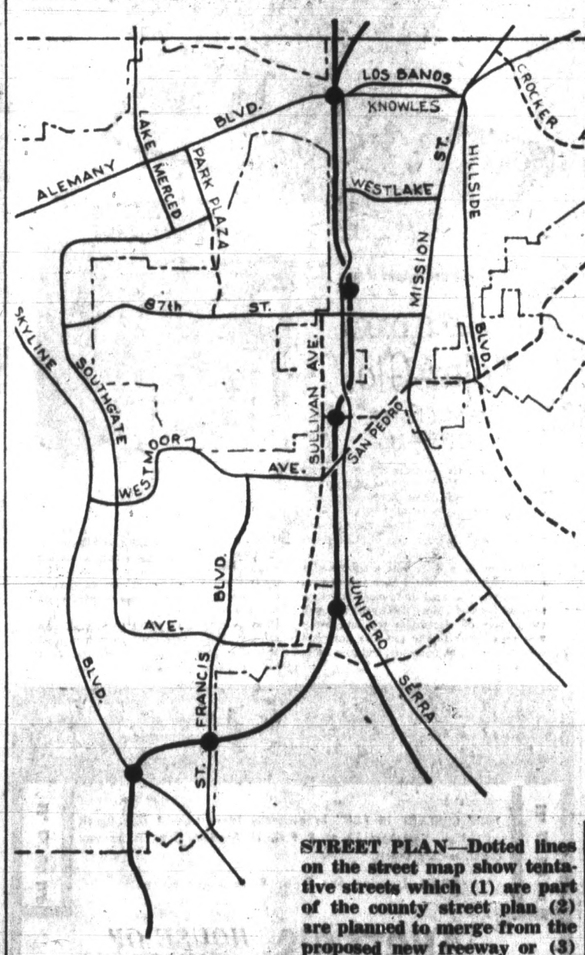
Board News Notes: San Mateo County Glenwood Boys' Ranch has become eligible to participate in the federal government's school lunch program. The appropriation to the probation department facility is expected to be about $4,00 a year. . . . Supervisor Chairman James V. Fitzgerald was presented a check for $22,500 last week—a contribution from the K. O. Polio surplus fund. The money will finance the first stages of the county-wide Medical Self-Help training program under Civil Defense. Tribune Publisher Raymond Spangler announced another $22,500 would be contributed after a six-month study of the success of the program. . . . County Health and Welfare Director Dr. H. D. Chope has been named a member of the Mental Health Training Committee of the National Institute of Mental Health. He was complimented by the board for gaining this honor for himself and the county. . . . The children's activity center of the Mental Health Services division of the county has received a check for $2,400 from the Junior League of San Francisco. This is the second contribution the organization has made to the center.

Protest lodged on salary raise

Local 919 of the American Federal of State, County and Municipal Employees Tuesday requested that the city council review the recent salary increase that was granted to the employees of Daly City.

Frank Gillis, Business Representative, stated he felt that Daly City was unfair to its employees who only received a 2½ per cent wage increase.



STREET PLAN—Dotted lines on the street map show tentative streets which (1) are part of the county street plan (2) are planned to merge from the proposed new freeway or (3) connect onto existing streets in newly annexed Bayshore City.

Long range plan for street construction

A long-range Master Plan of street construction in Daly City is under study by the Daly City engineering department.

The study includes all city streets, including those to connect Bayshore City and streets tieing into the new Junipero Serra Freeway.

Plans are being considered for major streets coming from the off ramps of the new freeway.

Crocker Avenue is considered a proposed major street to flow from the freeway and into the Crocker Hills.

The proposed extension of Crocker Avenue follows the southerly ridge of Southern hills and connects to the proposed Market Street extension. The Market Street extension is planned by San Mateo County engineers to extend from Market Street over the Crocker hills and onto Bayshore Highway.

Freeway plans are also merged into the Daly City road plan.

Knowles Avenue will go over the top of the new freeway while at the same time remaining at the present Street level.

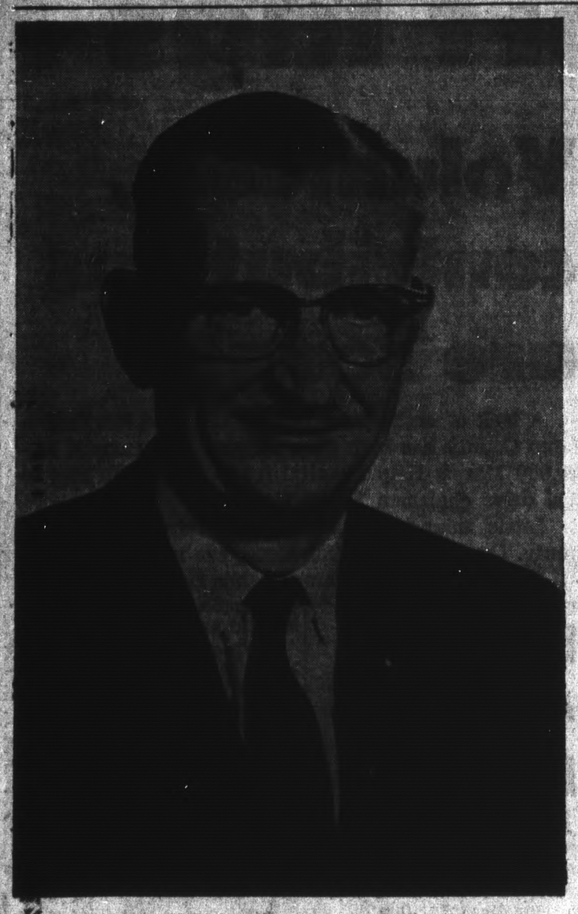
A map of the road plan indicates tiers of freeways in all levels at the Knowles intersection.

A tunnel is proposed for the Southern Freeway at this intersection.

The Southern Freeway passes above the 19th Avenue freeway lanes. Drivers coming into Daly City will take the off ramp, pass under a bridge, and climb up another ramp into Knowles Avenue.

The master plan continues to show extensions of roads into undeveloped areas, streets around Mary's Help Hospital, additional signals on city streets which eventually will be placed where traffic demand merits their installation.

This map also shows extension of Carter Street in Bayshore onto Market. Carter Street will be the connection from Market Street into the Bayshore area.



Top BARTD job goes to D. C. man

A Daly City man has been named to a high-ranking job with the Bay Area Rapid Transit District.

He is John S. Daniels, 59, formerly the top right-of-way official for the Division of Highways in the area. He will manage property acquisition for the District, according to BARTD General Manager John M. Pierce.

The job pays $18,000 annually.

The district has estimated it will spend $75,000,000 in the next five years to acquire right-of-way for the 75-mile rapid transit network.

"Mr. Daniels will bring to the task nearly four decades of experience in the engineering and legal aspects of property acquisition," according to Pierce.

He has spent the last 20 years in the Bay Area, and knows the communities of interest to us very well."

Since 194, Daniels has served as principal right-of-way agent for District 4 of the Division of Highways in San Francisco, supervising a right - of - way staff of about 250 persons.

Under his direction, the Division of Highways acquired more than $300,000,000 worth of property in the past 15 years.

From 1944 to 1948, Daniels was employed as an associate right-of-way agent for the Division of Highways, also in San Francisco.

He has been employed for 10 years by Los Angeles County in various legal capacities, all of them involving right-of-way programs.

A native of Los Angeles, Daniels received a law degree from Southwestern University. He also attended the University of California at Los Angeles.

Pierce said Daniels would join BARTD by Oct. 1.

He resides at 124 Wilshire Ave., Daly City.

DC nurse graduates from army course

Second Lieutenant Karyn S. Williams, whose parents, Mr. and Mrs. A. Dale Williams, live at 299 Bel Mar Ave., Daly City, was recently graduated from an intensive six-month course in neuro-psychiatric nursing at Walter Reed General Hospital, Washington, D.C.

A 1959 graduate of Westmoor High School in Daly City, Lt. Williams was graduated from St. Luke's School of Nursing in San Francisco in 1962. For several months after graduation, she served as a general duty nurse in St. Luke's Hospital before entering military service in September 1962.

Lt. Williams will remain at Walter Reed for duty in the neuropsychiatric wards.

New assistant named for Daly City manager

David R. Rowe, a graduate from the University of California in Business and Public Administration, has been named the new administrative assistant to the city manager in Daly City.

He will replace the present assistant administrator, Bill Hawley on Sept. 16. Hawley is slated to instruct at San Mateo College in political science.

Rowe attended San Jose State College and his experience includes part time work as a Recreation Specialist in the San Rafael Recreation Department.

He has been a fully paid intern for the City of San Leandro for more than a year. During that time his work consisted of general administrative duties, research projects, special studies and reports.

Employees of Daly City plan outing

Daly City municipal employees are holding their Third Annual City Employees Picnic Sunday, Sept. 29, at Blackberry Farm, Cupertino.

The event is open to all families and friends of Daly City Employees, says Joseph Lewkowitz of the treasury department.

Children under six will be admitted free, says the committee with a charge of $1.50 for children over 13.

Committee workers say that there will be free soda pop, beer, ice cream and prizes for all kinds of games.

Working on the affair are Chuck Vincent of the recreation department; Keith Schrock, fire department; Jim Burman, street department; Helen Sherwood, police department; Doris Rehe, finance department; Rosalie Schrock, finance department; Ed Chapman, engineering department; Ed Frank of the City Hall and George Hopman, buildings.

Close brush with death

An elderly Mill Valley couple had a narrow brush with death on treacherous Devil's Slide Sunday.

Their car crashed out of control, flipped over and came to rest on its wheels on a ledge overlooking a sheer 600-foot drop into the ocean.

Willard F. Belfield, 72, a retired mailman, and his wife, Jeanette, 68, were held in the car by seat belts and escaped with minor bumps and cuts, for which they were treated at Kaiser Hospital in South San Francisco.

Highway Patrolman A. H. Kilton said Belfield was driving south on Cabrillo Highway at 6:20 lost control on a sharp curve. It was extremely foggy and the roadway was wet and slick, the officer said.

Woman hurt in Daly City crash

One person was injured in a two-car collision at Alemany and Skyline Blvds., Daly City, at 10 a.m. Saturday.

Treated at Kaiser Foundation Hospital in South San Francisco for a bloody nose was the driver of one of the autos, Margaret M. Kupec, 53, 58 Carmel Ave., Daly City.

Police identified the driver of the other auto as Peter Brighinol, 264 Seaside Dr., Pacifica.

Newsboy is strongarmed

Three youths strong-armed a 12-year-old Daly City San Mateo Times newspaperboy Saturday afternoon in Daly City and took $7.50 from him.

The boy, James S. Burns, 101 Bellevue Ave., told Daly City police he was collecting on his route along South Hill Blvd. about 9 p.m. when the youths seized him and took the money.

College

(Continued from Page 1)

stantiates the declaration I made last spring that circumstances require a speeding up higher education schedule for of the state master plan for a new State College here."

"The fact that 45 per cent of the students at San Jose State are from outside the Bay Area I think illustrates a fact of life, that as each matures it develops certain specialties which attract students from throughout the state, despite the policy set down in the master plan that regional colleges should be built to serve regional needs," Dolwig said.

"This also focuses attention on another issue—where are Peninsula High School graduates who cannot live away from home because of economic circumstances going to attend college?"

Dolwig said he is going to continue his fight for a Peninsula State College and he asked for public support from civic groups and individuals to have Governor Brown include the matter on the special call in February, 1964, instead of waiting for the master plan revision in 1965-66, or 1967-68.

MUSIC THEORY—Students at California Institute of Music in Daly City learn creative expression in music theory class. Aim of the Institute is to become a local center of the creative arts.

Arts Center Aspirations

Calif. Music Institute challenges new frontiers

The long-range objective of the California Institute of Music, 2125 Junipero Serra Blvd., is to become a center of the arts in Daly City, where children, teenagers and adults can learn music, art and dance in an atmosphere that is hospitable to the challenges of the new frontiers in education.

The California Institute of Music was founded in 1958 to provide Daly City, the Northern Peninsula, and contigious parts of San Francisco with a comprehensive series of musical programs designed to meet the needs of children, teenagers and adults who wish to study a musical instrument, voice or theory.

The purpose of the Institute has been to provide the best possible instruction for those children and adults wishing to learn how to play or sing for their own personal enjoyment.

Specialists

The policy of the Institute since its inception has been to attract highly-qualified specialists in their fields, whose primary interest and training is in teaching music. The mood of the Institute is one of exploration and experimentation with the latest teaching materials and methods. It represents a unique opportunity for young teachers to explore and develop their special interests in an atmosphere of mutual interest and creativity.

Something new is always in the hopper, while the stress has always been on conscientious and responsible teaching, the Institute has maintained the informality of what has been described as the "country store."

Recognizing that the single, isolated one-half hour private lesson given weekly is in most cases inadequate, the Institute has developed what it calls its Basic Program, which consists of one-half hour private lesson, supported by an hour of Theory and Musicianship Class, recitals, performance classes, and periodic musical report cards.

Special Attention

One of the main purposes of the Theory and Musicianship Class, which meets once a week, is to free the private teacher to spend more time on performance and technics of the particular instrument. As a result, the student makes more progress during the private lesson, and feels a greater sense of immediate satisfaction. The student's progress is further enhanced because during the theory and musicianship class, he receives special attention in areas where he needs help. Furthermore, two lessons per week provide the student with less opportunity to forget.

Due to the variety of temperment, ability and motivation among students, the structure of the program is such as to enable each student, whether child or adult, to move at a pace that is appropriate for him. The learning rate and level of all students is respected.

Nevertheless, an overall structure and a series of realistic goals are present. While the quality of instruction is at a conservatory level, the purpose of the teaching is to accommodate the program to the student, rather than the student to the program. The informal and enthusiastic atmosphere that prevades the school makes it possible for the students to learn well and still have fun.

The primary objective of the Institute is enabling the student to experience the satisfaction of being able to do something well. The Institute demands more of the student and parent. The rewards are also greater. And often more is achieved in less time because of the thoroughness of the program.

Enthusiasm

They are not promised that they will be able to outperform Van Cliburn or Louie Armstrong in three months. It sometimes takes months and occasionally years to unlearn bad habits. Often an indifferent teacher can permanently stifle a student's musical interest. The qualified teacher realizes that teaching is an art which requires years of preparation and experience, and does not automatically follow from the single fact that he or she happens to play adequately.

The enthusiasm of the teachers at the Institute stems at least in part from the fact that they realize that the study of music is not a "frill" but like painting and the crafts, represents one of the two or three major areas where an individual can constructively and meaningfully express his emotions and feelings.

A testimony to the importance of the arts for the development of the personality is the fact that people with deep psychological disturbances sometimes can only be reached through music or art.

Non-Verbal Approach

The Creative Arts Class for 4-7 year olds embodies the conviction that meaningful participation in the arts under trained supervision is a crucial foundation for the complete development and full education of the growing child. The single, most dramatic effect of the experience of a child in the Creative Arts Class is the cultivation of an heightened awareness of what they see and hear and feel and touch.

A six-year-old girl who had completed her second semester of the Creative Arts Class, said to her mother one morning as she woke up feeling ill, "I feel like cement."

This and other responses from the children in the group have demonstrated the need for educational approaches which are non-verbal, and which reach deeper than the written word.

No one has expressed more powerfully these ideas about education than Dr. Maria Montessori, the famous Italian educator, when she said, "The aim of the child's work is not external, but internal. He works in order to grow . . . We may say that the adult works to perfect his environment through an end product, whereas the child works to perfect himself, using the environment as a means."

A call for marchers in Fibrosis campaign

Volunteers are still needed for the Cystic Fibrosis fund-raising door-to-door campaign in Westlake on Sept. 17. Interested persons should contact Mrs. J. L. Overstreet (WY 2-2323) or Mrs. Leland Myers (PL 6-0973) in Westlake.

Mrs. Louis Storm of 99 Northgate Court, Westlake, has been appointed general campaign chairman for the San Francisco observance of National Cystic Fibrosis Month in September, it was announced recently by Mrs. L. H. Lofton, president of the San Francisco Chapter of the National Cystic Fibrosis Research Foundation.

George Christopher, mayor of San Francisco, who will serve as honorary campaign chairman, signed a proclamation recently designating Sept. 15-21 as Cystic Fibrosis Week in San Francisco.

Joining Mrs. Storm for the proclamation ceremony in the Mayor's chambers in City Hall were Mrs. E. L. Belcher, chapter vice president, and eight-year-old CF victim Mary Jo Opatz, 1963 San Francisco Poster Child, who was presented with an incscribed replica of the Key to the City.

Cystic Fibrosis Week will be celebrated on Tuesday, Sept. 17, with a door-to-door campaign in Westlake, comencing at 6:30 p.m. More than 100 volunteers, under the direction of Mrs. J. L. Overstreet and Mrs. Leland Myers of Westlake, will make house-to-house appeals to obtain contributions to support basic and clinical research and early diagnosis and treatment of the young victims of CF, now considered the most common and one of the most serious of the life-threatening children's diseases.

Funds raised from the canvass will aid in supporting the CF Regional Care, Research and Teaching Center which was established in May at the University of California Medical Center in San Francisco.

As a glittering climax to the CF Week observance, the San Francisco Chapter will stage its second annual benefit performance, "An Evening With Joey Bishop," Saturday, Sept. 21, at 8:30 p.m. at the Masonic Memorial Temple Auditorium in San Francisco.

Mrs. Storm is chairman of the show, and Max Rudorfer, 80 Northgate Court, Westlake, past president of Temple Judea and Past Master of the Fidelity Lodge, will be honorary chairman of the benefit.

Comedian Bishop, who is serving as Cystic Fibrosis National Campaign Chairman for the third consecutive year, will fly from Hollywood to headline a program of other Hollywood and Bay Area stars which will include the Earl Twins, a singing and acrobatic dancing duo currently appearing in the film version of "Irma La Dounce"; and Corbett Monica, comedy recording star who appears regularly on Bishop's weekly television program. Lee Mendelson, Bay Area film producer, is writing and directing the show.

Tickets are available at the Downtown Center Box Office, 325 Mason St., San Francisco, PR 5-2021. Prices range from $2.50, $3.50 and $4.50.

FIBROSIS CAMPAIGN—Mrs. Louis Storm (right, of 99 Northgate Court, Westlake has been appointed general chairman of the San Francisco observance of National Cystic Fibrosis Month in September. With her is Max Rudorfer, 80 Northgate Court, Westlake, past president of Temple Judea and Past Master of Fidelity Lodge, who will be honorary chairman of the benefit.

Organ concert at House of Music

Nationally known organist Dick Dissell will appear in a Pops Concert in San Francisco on Sept. 13. The concert, sponsored by Angelo's House of Music, will feature selections from the Broadway stage, Hollywood motion pictures and light classical music by well known composers.

Angelo Sfarzo, owner of Angelo's House of Music, announced that the concert will be held at 960 Geneva Ave., on Sept. 13 at 8 p.m. (Free) tickets are available at Angelo's, 960 Geneva Ave.

Mr. Dissell will appear at the Thomas Symphony Organ, a remarkable new instrument that places a full orchestra at his fingertips. Among the most versatile of instruments, the Thomas Symphony enables Dick to draw from it hundreds of startling effects that make his concerts wonderfully exciting.

Former D.C. man joins bond drive

Fred Del Pino, formerly of Daly City and advertising representative of the Vallejo Times Herald, is joining the Northern California staff of the U.S. Treasury's Savings Bonds Division, according to an announcemennt by Harold R. Stone, the Treasury's western region director for the Savings Bonds Division.

Before he worked with the Times Herald, Del Pino spent four years as advertising representative for the San Francisco News. He also has 20 years experience as account executive for brokerage firms in New York, Los Angeles and San Francisco.

A native of San Francisco, Del Pino attended college in Italy where his father, the late Carlo Del Pino, headed the Banca d'America e d'Italia. The family returned to California when Mr. Carlo Del Pino became executive vice president of Bank of America.

Stone said that in his new position, Fred Del Pino will promote the sale of U.S. Savings Bonds through the cooperation of banks, business firms, communications media, service clubs, civic and labor organizations. Of Del Pino, Stone said, "We are delighted to have a man of his background join our promotional staff."

State board to meet on school reorganization

A record number of school district organization plans will be acted upon next weekend when the state board of education meets in San Francisco.

The board will also decide whether to grant extensions to 15 counties — including San Mateo county — which have failed to complete master plans for streamlining school districts.

Presided over by Thomas W. [illegible] of Oceanside, the 10-member board will meet both [illegible] at 9 a.m. in room 1194 of the state building annex, 455 Golden Gate Ave. The sessions are open to the public.

Contra Costa, Fresno, Imperial, Marin, Modoc, Nevada, Sacramento, San Diego, San Luis Obispo, Santa Barbara, Solano, Sutter and Tuolumne counties are also seeking one-year extensions, while Santa Cruz county is asking for a 90-day delay. Approval of all the requests is recommended by the State Department of Education.

LAW REQUIREMENT

A 1959 law required county committees on school district organization to plan for unified districts, which offer programe ranging from kindergarten through at least the twelfth grade under one administration.

The law imposed a Sept. 15, 1963, deadline, but subsequent action by the legislature made it possible for the Board of Education to grant extensions to counties which had encountered hardships. Unless the board approves the extensions, the Department of Education will be required to draw up the plans for the various counties.

WSCS plans donut sale

Woman's Society of Christian Service of the Wesley Methodist Church is planning a first donut sale on Saturday, Oct. 5, at Susie's Quality Donut Shop at the St. Francis Heights Square Shopping Center. This will be a "bargain donut sale"—15 for the price of 12. Proceeds of this sale are to be used for the building of the new Wesley Methodist Church.

Advance orders will be taken by members of the WSCS and Sunday School children. Free delivery on all advance orders. Those wishing to place an order may call Mrs. R. Sowers, PL 5-7096, or the "Donut Committee," Mrs. T. Howery, Mrs. John Morton and Mrs. J. McGuigan. Your patronage is both needed and appreciated.

Bogus check clinic in Daly City

Daly City and Colma merchants will have a chance Wednesday and Thursday (September 11 and 12) to arm themselves with facts for fighting the bogus check passers who silently rob California businesses of millions of dollars each year.

The opportunity will be afforded by Bank of America's traveling Merchants Loss Prevention Clinic, which will be held at 7:30 p.m. Wednesday (September 11) at the Colma Branch, and at 7:30 p.m. Thursday (September 12) at the Daly City Branch, announced Daly City Manager Louis Pisani and Colma Manager John Ferrari.

Developed and tested by the bank, the clinic stresses preventive measures which merchants can take to protect themselves against check losses.. Although invitations have been issued, any merchant is welcome to attend, Pisani and Ferrari pointed out.

Local law enforcement officers also have been invited to take part in the clinic.

Main feature of the one-hour program is an 18-minute soundslide color film entitled "They Shall Not Pass." It outlines 11 practices which merchants can use to eliminate bad check losses, estimated to total more than $25 million annually in California. The film also emphasizes that check supplies and equipment used by individuals, corporations or even government agencies can be obtained and used by clever forgers, making it necessary for merchants to thoroughly identify check presenters.

Also featured is a soundslide film on proper methods of handling cash. This 8-minute film exposes some of the techniques used by short change artists.

Besides the film, the clinic utilizes display panels showing bogus checks, counterfeit currency, and methods of comparing signatures.

A question and answer period will follow the film showings.

Summarizing the clinic's salient points, pamphlets will be distributed listing procedures for accepting checks, identifying counterfeit money, and handling cash.

Daly captain is promoted

In a ceremony held at San Rafael on Sept. 5, Max P. Cologna was promoted to the rank of Captain in the United States Army Reserve.

Capt. Cologna lives at 336 Higate Dr., Daly City, with his wife and two children and is employed by Wyandotte Chemicals, 1290 Bayshore, Burlingame. He has been with the 362d Regt. for six years.

His new rank was presented to him by Colonel John R. Martindale.

Capt. Cologna was presented with his bars before a formation of the company by the commanding officer of the 362d Regt. He is factory representative for Wyandotte and was last promoted in 1959.

Gala Scottish concert party

Neil Kirk's White Heather Concert Party will return to San Francisco on Saturday, Oct. 12, at 8 p.m. in the Nourse Auditorium (Hayes St. and Van Ness), with a galaxy of top stars direct from bonnie Scotland.

The event, which is presented by the Daughters of Scotia of Northern California, will star Andy Stewart, Scotland's foremost entertainer, and six other outstanding Scottish stars.

Further details may be obtained by calling MO 4-9291 or ticket reservations may be made by contacting Mrs. Molly Martin, 2030 29th Ave., San Francisco.

Youth falls under car

A six-year-old Daly City boy suffered a fractured right leg early Sunday evening when he fell off a board mounted on roller skates and slid beneath an auto pulling into a driveway.

The boy, Gregory P. Goin, 109 Mirada Dr., was given emergency treatment at Kaiser Foundation Hospital in South Francisco and transferred to Kaiser in San Francisco.

Witnesses reported that the boy attempted to stop the roller board when he saw the auto turing into the driveway and he fell from the board.

Police said the auto was driven by Nancy M. Volombo, 25, 121 Mirada Dr.

She said she stopped her car, a foreign model, when she heard the boy scream and felt a thump.

Neighbors ran to the scene and lifted the auto off the boy's leg.

County budgets funds for Daly City projects

The San Mateo County board of supervisors last week gave approval to County Engineer Don S. Wilson's recommendation that county funds budgeted for improvements around the Cow Palace be carried out in cooperation with Daly City although the area has been annexed to that city.

The improvements call for a traffic signal at Geneva Ave. at the Cow Palace and paving work on Geneva Ave. to the Old Bayshore.

Another Wilson recommendation will allow the county to contribute funds to construct the access road to the new Mary's Help Hospital in Daly City, now under construction.

Cost of the road, actually an extension of Sullivan Ave., is estimated at $185,000, with the county putting up one-third.

It is hoped the road can be constructed as a state project with local funds at the same time as the new freeway goes in.

Broadmoor Sunday school promotion

Next Sunday, Sept. 15, the Broadmoor Presbyterian, 377-[illegible] St. Sunday School Promotion Service will be held at [illegible] a.m. Primary, Kindergarten and Nursery Departments will participate. Certificates will be awarded to departmental graduates with primary graduates receiving Bibles. Recognition is also given to pupils in the various choirs. Mr. John Rued is general superintendent of the Sunday School.

The Worship Service will be held at 11 a.m. A report of an important inter-faith conference on the race problem will be given by Elder John Rued. This conference was held last week for several days at the University of San Francisco, with Deeacons Mabs Guz, Charlotte Spruiell and Bea Hicks, who is chairman of the Church and Society Committee attending along with John Rued.

The sermon subject will be "Not What, But Whom" to initiate the year's Sunday School study theme of "Jesus Christ" which begins in October There will also be a dedication to the task of Christian Education for teachers, youth leaders, church officers, parents and congregation. The first meeting of the High School Youth Group will be held on Sept. 15, from 7-8:30 p.m. Dorothy Spratt is adviser of the group.

The Reverend Herbert C. Tweedie is the local pastor.

John Webb

Sacred concert at Seacliff church

John Webb, bass soloist, will present a sacred concert at the Seacliff Community Church this Sunday night at 7:30 p.m. He will appear earlier the same evening, with the Seacliff Youth Fellowship, at an informal Fireside Sing-Along, at 6:30 p.m., in the church parlor.

When the music critic for The Hollywood Citizen News, Dr. Richard Drake, heard John Webb in a benefit musical concert at Burbank, Calif., he said, "I have never heard a voice with more possibilities. I can book you for the big time! What do you say?" But because he is a Christian, John Webb dedicated his voice and career to the One who gave him the musical talent.

Webb has performed sacred concerts up and down the West Coast and across the nation. Many of these have been in high school assemblies and youth rallies, as well as in church gatherings.

A recording artist of increasing fame, Mr. Webb has produced four long-play albums to date. As staff soloist with the Los Angeles Youth for Christ, he sings regularly at the nation's largest YFC Saturday night rally.

Webb is truly "a big man with a big voice." His voice, a rich basso-profundo, allows him to descend to the difficult B-flat below low C, as well as to soar to a high F. The magnificance of his voice is enhanced by his tall, rugged frame, reaching to 6' 4", and topped off with blond, wavy hair.

John Webb's free concert at the Seacliff Community Church, 50 Northridge Drive, in Westlake, is sponsored by the Youth Fellowship, under the direction of Mr. Barton Buhtz, Youth Director. As with every service at the church, Pastor Clark Robb announced that the concert is open to all people, regardless of race or creed.

Mater Dolorosa paper drive

Mater Dolorosa Church's quarterly paper drive is here again. Pick-up crews including the Men's Club and Boy Scouts will canvass the Parish this Saturday, September 14.

Chairman Lawrence O'Neill, 19 Graystone, announced that pick-ups will also be made outside the parish boundaries if those who have papers to donate will call PL 6-4486.

Vans will also be at the Church parking lot at Miller and Forestview all day.

"Rosh Hashono" talk set at B'nai Israel

Congregation B'nai Israel will hold a family worship service this Friday evening at 8:30 p.m. Families who wish to join before the coming High Holy Days are invited to attend. Rabbi Shore will speak on "The Moral Lesson of Rosh Hashono."

BAR MITZVAH

David Nordson who will celebrate his Bar Mitzvah this Saturday morning will assist Rabbi Shore with this Friday evening's worship. His parents, Mrs. and Mrs. Edward Nordson will host the Oneg Shabbath after the service.

Saturday morning at 10 a.m. David will open the service with a Hebrew prayer. He will be called to the Torah to chant his portion of the Haftorah and will deliver his acceptance speech. David has attended Hebrew School for a number of years and will continue his studies toward a certificate of graduation. His parents, Mr. and Mrs. Edward Nordson will after the services serve a (Kiddush) luncheon for all their guests.

HOLIDAY SERVICES

This year the High Holiday Services will be held at Temple Rodelph Sholom, located at Brussels and Silliman Sts., in San Francisco. There are still some seats available to non-members for $10.00 per seat. Please call PLaza 6-1930 after 6 p.m. or JU 6-7642.

Schedule of High Holiday Services:

Rosh Hashono evening, Wednesday, Sept. 18 at 8 p.m.;

Rosh Hashono morning service, Thursday, Sept. 19 at 9 a.m.;

Same schedule prevails for second day of Rosh Hasano, Friday, Sept. 20;

Yom Kippur, Kol Nidrei Service, Friday, Sept. 27 at 7:45 p.m.;

Yom Kippur morning service, Saturday, Sept. 28 at 9 a.m.

Wesley Methodist sets youth rally

The Wesley Methodist Church, Daly City, is having a Youth Rally for students in Junior and Senior High School on Friday, Sept. 13th, in the Social Hall of the Seacliff Community Church, 50 Northridge Dr. Following a dinner served by the mothers at 6:30 p.m., there will be a special program featuring "Randini, the Magician." Mr. and Mrs. Richard Lucas, the new Senior MYF Councellors, and Mrs. Henry McCain, are in charge of the evening.

On Wednesday, Sept. 11th, the Wesley Choir begins its fall season with the First Annual Wesley Choir Kick-off Dinner at the home of the director, Mrs. Roger S. Murray. Choir practice will follow the dinner.

"Are We Our Brother's Keeper?" will be the topic of the sermon presented by Dr. Edward A. Wolfe, minister of the Wesley Methodist Church, at the 11 a.m. service held in the Thomas Edison School multi-purpose room. On Sept. 15th, Dr. Wolfe will speak on "The Road To Happiness," and on Sept. 29th, "Religion, A Load or A Lift." Dr. and Mrs. Wolfe have recently moved into the newly purchased parsonage at 272 Belhaven Dr.

For further information about any of the Wesley Methodist Church's activities, please call the church office, WY 2-5530.

Sunday school picnic at Westside Baptist

Saturday, Sept. 7 at 10:30 a.m. at the Orange Avenue Park in South San Francisco the Sunday Church School of the Westside Baptist Church will hold their annual Sunday School picnic. There will be games for all ages, refreshments will be served, and an enjoyable time of fellowship will be enjoyed by all who attend. Mr. Alton Swedberg, Sunday School Superintendent, encourages all teachers and pupils to be present for this outing.

With the opening day of school just moments away, the young people of Westside Baptist Church will observe Back-to-school-Sunday in their three Conference Youth Fellowship groups. The Jet-Cadets is for Junior age boys and girls, then there is a separate group for Junior High and Senior High youth.

"The High Cost of Carelessness' is the topic chosen by the pastor, A. David Donnelly, for his 7:00 p.m. Evening Gospel Hour message. These past evening messages have been emphasizing stewardship, and this message deals with the importance of the Christian living what he or she professes.

THEY RAISED $23.01 — Jill Liebowitz (left), Cathy Kaplan and Michele Monte were busy last week as they raised $23.01 for the Cystic Fibrosis fund drive.

High Holy Days on Brotherhood Way

Temple Judea will hold its High Holy Day Services on Brotherhood Way in San Francisco—right near Parkmerced—at the Church of Christ this year.

Rabbi Herbert Morris and Cantor Harold Wachter will officiate.

Dr. W. Leonard Beck will direct the special High Holy Day Choir, which will sing at all Services.

High Holy Day Services will be as follows: Rosh Hashonah Evening Service—Wednesday, September 18th at 9:00-10:00 p.m., Rosh Hashonah Morning Service—Thursday, September 19th at 10:00-11:30 a.m. Yom Kippur Evening Service—Friday, September 27th at 8:00-9:30 p.m., Yom Kipper Day—Saturday, September 28th at 10:00 a.m. until 5.30 p.m.

Brotherhood Way, located opposite Parkmerced in San Francisco, is within easy reach of the Lakeshore, Sunset, Lakeside, Ingleside Terrace, Outer Mission, Excelsior, St. Francis Woods districts of San Francisco and, of course, Westlake and the Northern Peninsula Communities of South San Francisco, Millbrae and San Bruno.

Temple Judea will provide transportation via car pool for those who live in outlying areas and are unable to get private transportation.

Anyone interested in obtaining High Holy Day seats and information is urged to contact Temple Judea at PL 5-6362 or write to Temple Judea, 95 South Mayfair Ave., Daly City.

Baptist Church moves to Crestmoor School

The Westside Baptist Church, which formerly held their Sunday services in South San Francisco, have moved to the Crestmoor School, 2322 Chestmoor Dr. in San Bruno, for their Sunday services. A. David Donnelly, pastor, announces that as of Sept. 8, the church will be holding their Sunday services there.

Wednesday evening, Sept. 7 at 7:45 p.m. at the Fred Lang home, 55 Lodato Ave. in San Mateo, the Mid-week Prayer and Bible Study Hour will be conducted.

CHURCH NEWS

Rally, promotion day at Westlake Lutheran

This Sunday is Rally and Promotion Day for the Sunday School of Westlake Lutheran Church, Avalon Drive at Westmoor Avenue. Pastor Kenneth Hansen and Richard Taylor, superintendent of the Sunday School, will conduct at 9:30 a.m. the opening program, "Learn of Him".

Children will receive their Rally Day pins and their promotion certificates. New children will be enrolled. A full staff of teachers is prepared to introduce the new fall material, entitled "Life in Christ". This material, appearing in new designs of content, art, and makeup, is prepared to meet each age group on its level.

All children, age 3 through seniors in high school, are invited. A class for adults will be taught by Pastor Hansen.

"The Eternal Quest"

Rev. Robert A. Lundy of St. Paul's Methodist Church, South San Francisco, will speak on the theme "The Eternal Quest" on Sunday, Sept. 15, at 9:30 a.m.

Rally and Promotion Day will be observed in the Church School of St. Paul's Methodist Church, South San Francisco, on Sunday, Sept. 15, at 9:30 a.m. Mrs. John Rummel is superintendent, and Miss Dee-Ann Paron is secretary of the church school.

Hebrew School registration slated

Registration for the Hebrew Religious School will be held on Saturday, Sept. 14, 1963, 9:30 a.m. at the Pedro Valley Presbyterian Chuch, 1031 Valencia Way, Pacifica, Calif.

Parents are requested to bring their children with them.

Teachers for religious school will be Mr. Chiarn Chackes and Mrs. Charlotte Schoettler.

Varsity gridders get primed for openers

High school football is off to a bang-up start as area coaches begin to tune up their teams in preparation for the 1963 season.

Head Football Coach Pete Matisi of Westmoor High has been running his squads through drills and plays for over a week to smooth the rough edges caused by a nine-months lay-off.

Westmoor is honing up for its traditional game with Jefferson which is to be the High School Football Game of the Week telecast over Channel 7 on Nov. 2.

KGO sportscaster Bud Foster is slated to make the play-by-play description with Roger Grimsby, Channel 7 TV news director, providing color.

In Pacifica, Oceana and Terra Nova opened their practice with "two-a-day" drills scheduled by coaches Gene McKamey for Terra Nova and Jesse Jones for Oceana.

Terra Nova meets Oceana Nov. 8 in their rivalry clash.

Both coaches expected to maintain the twice daily drills at least until the season is well under way.

Oceana football coach Jess Jones says he is pegging his team's hopes on senior squad members to make a good showing this season.

Since this is the first year that top upperclassmen have played, Jones is looking for the extra experience to pay off in wins.

First games for all the area schools have been scheduled for Sept. 20 and 21.

Jefferson clashes with Terra Linda on Sept. 20; Westmoor is chalked up against Aragon High on the San Mateo High School field; Terra Nova meets Oakland Tech; and Oceana plays the following day in a duel with Sir Francis Drake.

ACTION — Westmoor High School works out at pre-season practice. This is a running play set into motion under the watchful eye of Assistant Coach George McNutt (with cap) in background.

Local coach sparks S.F. team to win

Two Daly City men were there when a San Francisco team went all the way in the recent playoff for San Francisco's Class AAA Summer League Baseball championship.

Coach Al C. Moreno and catcher "Chuck" Pierce were doing their bit when the Boldemann Chocolate Boar Indians took the win from the San Francisco Blaziers 5-4.

Board-Indian pitcher James Zentner, a student at San Francisco State College, allowed 6 hits for the opponent's 4 runs. He struck out 14 batters and walked four.

Moreno, of 338 Irvington St., Daly City, coached the Boar-Indians to another recent win in out-of-league play when the team chalked up a 5-3 win over the San Mateo Boys' Club in 10 innings.

TEAM — Quarterback Bruce Hicks of Westmoor Varsity alerts his men as Center Larry Westry starts to snap the ball. Flanker Mark Mallanger (left) and Half Ron Baker are primed for action

Candlestick Park road races slated Sept. 14

An invasion of the West's fastest modified sports cars will be chalenged on home grounds by San Francisco's BMC, who have entered a new Ford-powered Genie Mark 8 in the Sept. 14-15 Jaycee Candlestick Park Road Races.

Jack Dalton of Burlingame will drive the bright red rear-engined racer in its first outing.

According to Joe Huffaker, designer and builder of BMC's lightweight, high-powered Genie racers, the car's Ford engine will be very similar to the durable Fairlane V8 powerplant that has rocketed the AC Ford Cobra into national racing prominence. Modifications on the engine include four huge Weber carburetors.

A Chevrolet-powered BMC Mark 8 won the 150-mile U.S. Road Racing Championship at Kent, Wash., in July.

Large displacement modified sports cars are expected to turn up near 140 mph on the Candlestick back straight. The two-mile, 10-turn course runs over Candlestick's huge parking lot and adjacent access roads.

There will be no public parking at the course. Spectators will ride the Muni number 15 bus (crosses San Francisco in a north-south direction) directly to the course. Parking is available at the Cow Palace, with direct shuttle service to Candlestick Park from Geneva and Santos Sts.

All proceeds from the two-day event will be used for Jaycee charity projects. The races are sanctioned by the San Francisco Region, Sports Car Club of America.

Local girls swim Golden Gate Channel

Battling a strong tide and chilly 56-degree water, two local teen-age girls and 21 other contestants swam the breadth of the Golden Gate Channel Sunday.

Sue Horstmeyer, a junior at El Camino High School, and Leslie Jackley, a former student at Ben Franklin School, made the crossing along with other courageous youngsters in the First Annual San Francisco Merionettes Golden Gate Swim.

The event was co-sponsored by the Dolphin Swimming and Boating Club of San Francisco, the Golden Gate Breakfast Club and the San Francisco Merionettes.

The swim was sanctioned by the Pacific Association of the Amateur Athletic Union of the United States.

Sue placed eighth with a time of 38 minutes, 20 seconds and Leslie placed ninth with 38 minutes and 26 seconds.

The winning time of 34 minutes and 35 seconds was set by Margo McGrath of St. Emydius School, San Francisco.

The Merionettes Swimming team was formed in 1957 by a former national swimming star, Marion Olson Kane. Mrs. Kane herself has swam the channel with a record time of 24 minutes, 42 seconds.

Since 1957, the Merionettes have traveled extensively throughout the United States.

In 1961, the group was selected to represent the United States on a U.S. State Department conducted good-will tour of the Orient.

The team now consists of 40 sub-teen and teen-age girls.

HAPPY SWIMMERS— Sue Horstmeyer (left) and Lesley bundle up in blankets after their chilly swim in the San Francisco Bay. The pair placed eighth and ninth respectively in the First Annual San Francisco Merionettes Golden Gate Swim Sunday.

Folk dance class

The M. & M. Folk Dancers invite couples interested in Intermediate Folk Dancing and Square Dance to attend their Friday evening classes, beginning Sept. 13.

The class meets at 8:30 p.m. in the Multi-Purpose Room of the Woodrow Wilson School, Daly City.

Leopards take MidgetLeague Championship

The Our Lady of Mercy Leopards of Daly City beat out 101 teams and 19 divisions Saturday at Funston Field in San Francisco to win the 1963 San Francisco Midget League Championships over the Ocean View Golds, 4-3. The PAL Cardinals, also from Daly City, took third place.

Dan Coffey of the Leopards, drove in the winning run for the Midgets, but also dropped a throw that almost cost his team the game.

The Leopards were coasting on a four-run lead going into the top of the sixth inning, the last inning, and right hander Steve Gilmore was tossing a one-hitter when a bunt single spoiled his perfect game.

Part of the crowd had started filing out when Gordon Pillon led off with a bunt down the first base line. No one covered the bag and Pillon had the second hit of the game. After Gilmore got Robert Taylor on a pop up, Dan Night grounded to the mound. Frank Jones walked and Pitcher Gary Wilson drove in Pillon with a single to left and went to second when the Leopards tried to catch Jones at third.

Gary Green hit an easy grounder to third, but first baseman Dan Coffey dropped Jim O'Donald's throw. Jones and Wilson scored putting the Golds just one run behind.

Gilmore ended the rally and the game by striking out Ralph Grant.

The OLM pitcher only struck out three the entire day, but was never in trouble except for the sixth inning. He retired 11 batters in order the first three and two-thirds innings, due to the fine backing of the Leopard infield.

Sets new attendance record at Cow Palace

A new attendance record was set by the Western Electronics Show and Convention (WESCON) August 20-23 at San Francisco's Cow Palace, according to figures just released by Ed Diran, secretary-manager of the gigantic exposition-convention facility.

"More than 93,000 people in electronics industry jammed the four-day session," said Diran. "This establishes a new record for this kind of function. Such land-office business is good for the whole Bay Area," he pointed out.

The entire convention and display show were held in the Cow Palace's vast 320,000 sq. ft. of exhibit space, where 851 organizations presented the latest, most up-to-date electronics products in 1,213 exhibits. In addition, papers on various electronics subjects were read during 24 technical sessions, held in the Cow Palace's five large meeting rooms. To accommodate exhibitors, 620 phones were installed in the booth areas.

The annual Western Electronics Show and Convention, which alternates between San Francisco and Los Angeles, will be held next year at both the Los Angeles Sports Arena and the Hollywood Park Racetrack; no one facility in Los Angeles being large enough to accommodate a trade show this size.

The next two giant events of this type slated for the Cow Palace are the Twentieth Annual San Francisco National Sports and Boat Show, which last year played to over 300,000, to be held January 31-February 9, 1964, followed by the International Automotive Show, February 20-23, 1964. Over 1,500 exhibitors are expected at the auto show. Automotive parts for all types of automobiles will be exhibited, with European exhibitors showing wares along with the American products.

Between these two exhibit and trade shows, with move in and out scheduled around the clock, there will be two ice hockey and two basketball games, plus the Second Annual olden Gate Invitational Indoor Track Meet.

Attendance for all 21 days of February 1964 is expected to exceed 522,000 persons.

Improvement plan slated for Cow Palace

Because of vastly increased use of facilities, directors of San Francisco's Cow Palace have engaged the services of the Stanford Research Institute, Palo Alto, to develop a Master Capital Improvement Plan for the gigantic exposition-convention edifice, it was announced today by Fred P. Cox, president of the Board.

Estimated cost of the study, being undertaken in relation to prospective $3,000,000 Cow Palace improvements announced earlier this year (Monday, March 11), will be $28,000 to $32,000.

The project has three major objectives: an identification of additional land needs, a sketch plan, showing various land uses, space allocation within the land area, and a traffic flow plan, and, finally, findings and suggestions with respect to parking, office space, banquet and meeting facilities, dormitories, and arena interior.

"We have sought the services of the Stanford Research Institute to make the Cow Palace expansion plans as thorough and complete for anticipated growth as possible," said Cox.

Square dance beginner class

The Daly City Recreation Department and the Kalico Kats Square Dance Club will co-sponsor a beginners class in square dancing on Monday evenings, starting Sept. 9, from 8 to 10 p.m. Registrations will be held open until Sept. 23.

Classes will be held at the Westmoor Park Clubhouse on Edgemont Drive near Lincoln Ave. It is recommended that women wear low heeled shoes and men long sleeved shirts.

There will be a charge of $1.00 per couple and 50c for singles. Further information may be had by phoning PLaza 6-8932 or PLaza 5-0850, Extension 18.

READY—Tackles Bob Hansen (left) and Dan Hartman are A-OK at Westmoor High School. These men are getting set to go for the upcoming 1963 fall season.

It's SPARE TIME

at the Westlake Bowl

By Jim Grealish

John Valine made a clean sweep on the final night of bowling in the Westlake Knolls League as he shot a big 581 series to lead the Matty's Tiger's team to a championship. High game honors for the evening went to League Secretary Hank Amstutz with 218.

As the Sleepers Handicap League started the winter season, Bill Herron gave warning that he is in the market for high game and series honors as he shot a 229 game and 557 series to lead the league on opening night.

Thirty-six bowlers qualified for the Rolloffs in the First Annual No-Tap Tournament which ended over the weekend. With the Rolloffs scheduled for 7 p.m., Sept. 14 and noon Sept. 15, the following bowlers earned the right to compete: Adele Miley, Bonnie Birkett, Isabel McPherson, Ruth Maniscalco, Neva Runningwolf, Alice Schultz, June Tarczy, Mae Dreier, Ruth Tobin, Rose Jachetta, Lena Rossi, Kay French, Sharon Sylvester, Emily Drago, Diane Nessinger, Jeanne Wilkinson, John Brown, Ben Savin, Dave Morri, Harold Brown, Don Scott, Roger Noll, Herb Ososke, Gene Tarczy, Ray Spina, Bob Asher, Jim Bertucci, Karl Ostberg, Robert Bachli, Bob Kern, Pete Tobin, Thomas Hammond, Red Jensen, Jack Glass Sr., Joe Forgey and Bob Klein. Bowlers may compete on either squad.

Opening night leaders in the 99'ers Mixed Fives League were Lu Fousher with a 573 series and Frank Marano with a 242 game.

It was welcome to Westlake for the new mixed fives group on Wednesday evening as Ed Benton posted a 530 series and Fred Phillip took top game honors with 208.

In Monday afternoon's 3-6-9 Sweeper, Mary Miler posted a 709 total to take first place, followed by Emily Drago with 685. Tied for third place at 664 were Rose Oster and Ann Ikler. Mystery prizes went to Sharon Sylvester, Bonnie Birkett and Beverly Cronin.

Sept. 16 marks the opening date of the Fourth Annual Westlake Bowl Team Handicap Tournament. A new feature this year will be opening the Tournament to the ladies as well as the men. This means that both ladies and mixed teams will be eligible to compete for the many dollars in cash prizes.

Irwin Penn again was the trail blazer in the Knolls League as he posted a 233 game and 584 series.

Once again the "Bowlers of Tomorrow" are off to a flying start in winter league competition. With a wide variety of leagues for both boys and girls of all ages, beginners and advanced bowlers, Westlake will offer a bowling program with a spot for everyone. Registration will be held next Saturday from 9 a.m. to 2 p.m.

Bay Area bowlers have received the first announcement concerning the 61st Annual American Bowling Congress Tournament to be held in Oakland from Feb. 22 to April 26, 1964. Entry blanks are available at the bowling desk at Westlake. The tournament which is billed as the world's largest participant sports event will offer competition for all bowlers. The Booster Division will handle teams with averages of 850 and under, while the teams above the 850 mark will compete in the regular division. In addition, the Classic Division is again scheduled for the professional bowlers. Special lanes will be constructed at the Oakland Auditorium for the Tournament.

Mendelsohn sketches

Freeway hearing set in Pacifica

A public hearing will be held i nPacifica Sept. 18 on proposed freeway locations linking Coast Highway (State sign route 1) and Sweeney ridge.

The hearing will be held at 2 p.m. in the gymnasium of Oceana High School, by the State Division of Highways. The department has spent two years studying feasible freeway locations for the east-west link.

The Highway Commission adopted a location for the freeway section between Sweeney ridge just west of San Bruno and Bayshore freeway this January and design of this section is now in progress.

Missing Link

No east-west state highway now exists between State Highway Route 253 (locally known as the Southern freeway) in San Francisco and the new freeway along 19th Avtnue in San Mateo. Several 2-lane roads connect the various communities of upper San Mateo county in an east-west direction and 4-lane San Bruno Ave. connects Bayshore freeway with Skylane Blvd. The rapidly developing residential area in and near Pacifica has no direct highway connection to the eastern side of the Peninsula.

Due to the peninsula topography, the existing roads have steep grades, and any location selected for the new freeway would cross an area which drops steeply from the top of the ridge to the coastal communities. An unusual amount of grading and earthmoving will be necessary to provide acceptable grades for faster and safer traffic movement. Costs are estimated between $10.5 million and $13.5 million for the locations studied, including rights of way, extending for an approximate length of 2.2 miles.

Hit the Saddle

The adopted portion of the route from Bayshore freeway ends at the "saddle" in Sweeney ridge, at the south end of the U.S. Coast Guard property. This saddle serves as a natural pass across the ridge, and all of the alternate locations studied for the freeway section join the adopted portion at this point.

Maps of the routes studied as possible locations for the freeway location could become familiar with these studies. These maps may also be seen at the Division of Highways district office, 150 Oak St., San Francisco, where planning department engineers are available to furnish information which has been developed.

Daly City men rank high in MONY sales

Daly City life insurance men Eddy Wynschenk and Kenneth R. Kimball ranked high in sales at the end of July among Mutual Of New York's 3,500 field underwriters in the United States and Canada.

Mr. Mynschenk, of 61 Park Dr., ranked second in the Western region in the number of policies sold this year, through July.

Mr. Kimmball of 34 San Miguel, ranked fourth in the Western region in the number of policies sold this year, through July.

Both men are associated with MONY's Leonard Stiller agency in San Francisco.

Pacifica Flower Friends Garden Club

The regular monthly meeting of the Pacifica Flower Friends Garden Club will be held Wednesday, Sept. 11, 8 p.m., at the Moose Hall in Vallemar.

The program will be on the care and culture of dahlias. Guests are welcome. Hostesses will be Lillian Blackburn and Betty Sims. Members are reminded to bring plants for the plant table.

Kenneth L. Graham Serves on carrier

Kenneth L. Graham, seaman apprentice, USN, son of Mr. and Mrs. Robert Graham of 285 Oakcrest Ave., San Francisco, Calif., is serving aboard the attack aircraft carrier USS Bon Homme Richard, a Pacific Fleet unit which recently completed a four-month overhaul period at the Puget Sound Naval Shipyard, Bremerton, Wash.

The 43,000-ton carrier arrived in San Diego, Calif., her normal operational port, on July 30 after undergoing a $7 million "facelift."

About 70 species of birds have become extinct in the West Indies and islands of the Pacific and Indian oceans in the past few hundred years.

REASSIGNED—Airman Dennis D. Terry, son of Mr. and Mrs. Charles L. Terry, 320 Citrus Ave., Daly City, Calif., is being reassigned to Amarillo AFB, Texas, for technical training as a United States Air Force supply specialist. Airman Terry, who enlisted in the Air Force a short time ago, has completed his initial basic military training here. The airman is a 1963 graduate of Serra High School, San Mateo, Calif.

Serra Bowl News

By Frederick Hoffman

With the changeover from summer to fall schedules at Serra we find ourselves enjoying a period of relative peace and quiet and thus we've decided to take a rundown of new action scheduled for this winter rather than reporting on the same leagues we've been talking about all year.

Rich Kondo and the boys of the 1st MISSILE BATTALION league have joined the flock at Serra and began gunning down the wood last Wednesday night at the opening of their fall season.

After a photo-finish summer climax which saw Tom Lavin's Junipero Serra Apts. team winning the 750 Masters on an 898 last game the boys are eager to take the lanes early Wednesdays for the new year. That's a tight league and once again the competition should be razor keen.

The LUTHERAN MIXED 5's and the AUTOMOTIVE mens hdcp. leagues are back again this year each with a strength of at least 16 teams and ready to go on their opening nights. Glad to see you back, fellas

On Monday nights late 18 teams of LIONS roared to the lanes Sept. 9 to open their fall schedule at Serra.

The ever dependable KNIGHTS of COLUMBUS league led by organizer-secretary Joe Peterson once again will occupy their favorite Wednesday spot at Serra this winter.

The BANKERS mens hdcp. has gone to 14 teams this year on Thursdays and the PORTOLA DADS will be back in their regular Friday spot.

Among Serra Scratch leagues we will list the 810 on Mondays, the 855 on Tuesdays, the 835 on Wednesdays and the 860 late Fridays.

Another "club" league, the FORESTERS, will field 10 teams in the 9 p.m. slot on Thursdays.

Handicap leagues, both men's and mixed, abound again this year at Serra. Some openings are still available Monday at 6:15 and 9 o'clock, Tuesdays at 6:15, Wednesdays at 6:15, Thursdays at 6:15 and 9 o'clock, and Fridays at 6:15 p.m.

Anyone wishing to bowl at Serra this fall should CALL WY 2-3444 and ask for further information about league schedules.

Three's a crowd

Eleventh hour passage by Congress of the first compulsory arbitration legislation in U.S. history to avert the national rail strike that has been hanging over our heads since June 13th should remind us of two important facts:

First, collective bargaining met a complete impasse on work-rules.

Second, Federal intervention also failed to produce agreement.

Thus, it has been sharply demonstrated that Federal intervention—even beyond that provided by law in assistance from the Federal Mediation and Conciliation Service, the national emergency clauses of the Taft-Hartley Act and the Railway Labor Act—is no cure-all for labor-management disputes. In fact, various authorities on labor relations have been alarmed at the growing eagerness of both unions and management to use the bargaining table as a springboard to Federal intervention.

Such heedless-but-ambitious officials operate on the theory that they have nothing to lose with intervention and much to gain, since the intervenor, operating in a "crisis"—real or contrived—usually tries to split the difference between the contesting parties. And all too often this "disinterested" third party has been so disinterested in the stability of the economy and the welfare of the public as to ignore the Government's professed dedication to non-inflationary settlements.

In thus crying "Wolf!" too often, the bosses involved are weakening the institution of collective bargaining—which provides the principal reason for the existence of unions. Unwilling to hammer out contract terms fairly, in the light of economic reality and in the spirit of give and take, they are seeking an advantage that will injure the workers, and ultimately themselves, just as surely as it threatens the survival of the company that accepts exhorbitant terms.

The right to bargain collectively is the proudest achievement of the union movement. Its universal acceptance by business and industry as the fair and democratic process for resolving all questions of compensation and working conditions is evidence of union stature among both labor and management. Accordingly, labor and industry officials share a duty and a public responsibility to preserve it and to make it work — without third party intervention.

TAP MUFFLER TO REMOVE CARBON

Tapping your car muffler now and again helps to dislodge some of the carbon from its inner walls, points out the National Automobile Club. Racing the motor will then blow out part of this carbon.

The View From Behind the Badge

Written and Edited by Daly City Police Department

Sergeant Terry disappeared for a month. He was not to be found at his usual post in the Detective Division of the Daly City Police Department, and he was not suspended and he was not on vacation.

As a matter of fact, the Sergeant was on the payroll while working for another organization. This officer was being paid by the city while laboring for a state agency.

Why? the taxpayer might justifiably frown, and how? And we might reply to the effect that the officer careers for a Department that utilizes, liberally and profitably, the practice of lateral transfers for training.

Lateral transfer — that means, approximately, the temporary moving of a man into a slot for comparative importance and responsibility in another organization or division. The protagonist brings knowledge to his temporary job, improves his face to face relationships with his opposite numbers, trains and learns, and returns to the regular assignment with a better view and understanding of the overall situation.

That is how it works in theory and that is how it works in fact.

Now, the Daly City Police try to generalize, as opposed to specialize, as much as possible. One of the facts of life, however, dictates specialization in certain tasks. One of those tasks is that of narcotics investigation.

Sergeant Terry is cursed with the tasks of masterminding robbery and narcotics investigations. In these areas, it is his assignment to supplement the work done on the original scene by the Patrol Division.

Because this investigator has some years experience in narcotics assignments for the Department, and because he has a natural bent for that work, and because he is something of a student, he received another assignment.

The assignment: Go to the Bureau of Narcotics Enforcement, a state body. Work with them for a month. Learn something. Round out your knowledge.

So he went to that place and he went to work. He worked with the people day and night, those with whom he had worked occasionally in the past. the past.

He observed in the laboratory, and he worked in the field. When those agents to whom he was assigned had to spend a day dictating reports, he was reassigned to others. Most of his time was spent in the field, for he was already accomplished in reporting.

The Sergeant improved his acquaintanceship with narcotics and investigatory terminology. He became every-day acquainted with current problems and procedures.

The curriculum included working out of a car on the streets of San Francisco.. Those streets were walked by the officer and agents, and the flea bag hotels visited in the course of investigations. Stake-outs and surveillances were implemented in other areas.

Raids were on the agenda, and the student participated in these in places as far away as Sunnyvale.

And now he is back in his usual slot. He is back more accomplished in one of his responsibilities. He is further responsibilities for the dissemination of his knowledge to other officers in the Department.

This lateral transfer was implemented between agencies, in much the same manner as like lateral transfers have been effected between Divisions in our own Department. Deserving Patrolmen, for example, continue to rotate through the Detective Division where they are able to practice skills first learned on patrol. These men return to the Patrol Division as better rounded policemen as a result of this kind of training policy.

That, briefly, is why the Sergeant was gone for a month. His absence represented an investment of time for the return of knowledge and job skills.

We like the program.

NBC RADIO · DIAL 68

THE MOST POWERFUL VOICE IN NORTHERN CALIFORNIA

TV and RADIO

By Mona Baker

Tired of switching radio dials searching for enjoyable music? We've discovered a most pleasant radio station for you which fills the airlanes with programs that are on an adult level. The station is KKHI located at 1550 on your AM dial and 95.7 on FM. Highlights of the week's programming include a complete opera on Saturday nights, concert music during the dinner hours, telemusic quiz, news on the hour and familiar classical music during the balance of their program day.

An important and worthwhile addition to their schedule is the "Standard School of the Air" broadcast which premieres on Oct. 17.

One of the featured announcers on the station is local resident, Phil Markinson, who emcees the weekly Sunday afternoon request show. A resident of St. Francis Heights, in Daly City, Phil has been in radio for 20 years in San Francisco. He formerly was manager of KAFE, KEAR and was affiliated with KJBS and KYA. Locally he has served with many community organizations including PTA, City of Hope, Cub Scouts and Temple Judea. His hobby is little theater work and he played the part of "Steff" in the spring production of "Mr. Roberts" at the Geary.

KKHI has just been purchased by Buckley Jaeger Stations who own radio stations in Providence, Hartford and San Fernando. This is their first San Francisco outlet.

Good news from KQED is the announcement that they will televise a college credit course in economics that will be seen at a convenient evening viewing hour. The program "Highlights of Economics" debuts over Channel 9 on Oct. 1 at 7 p.m. Three units of academic credit will be offered by University of California extension and San Francisco State. Contact their extension division for information about registration.

ABOUT THE NEW

MARY'S HELP HOSPITAL

IN DALY CITY

Did You Know That!

1. This could prove the MOST IMPORTANT BUILDING in North San Mateo County . . . because in this populous, fast-growing area there is no ADEQUATE EMERGENCY or REGULAR 24-hour hospital service?
2. It will be a General Community Voluntary Hospital, with Free Clinic for the Poor, OPEN TO ALL, REGARDLESS OF RACE, RELIGION OR ECONOMIC STATUS?
3. Unlike District Hospitals, supported by taxes, your new hospital, properly financed, will improve property values, BUT NEVER APPEAR AS AN ITEM ON YOUR TAX BILL?
4. Of the total cost ($9,000,000), $7,500,000 will be matching funds provided by grants and The Daughters of Charity, operators of Mary's Help; which leaves only $1,500,000 to be raised by public subscription?
5. Although a "Mayors' Committee" of Daly City-Colma, So. San Francisco and Pacifica originally petitioned the Daughters of Charity to build their new Hospital in this area, less than 2% of the Campaign Goal has been subscribed in the North County Service Area???
6. Your Community is getting one of the finest, most modern hospitals in the country for only 15c on the dollar, which will be more than offset by the increase in your property values WITHOUT ADDING ONE CENT TO YOUR TAXES

YOU COULDN'T GET A BETTER BARGAIN TO SAVE YOUR LIEE!!

From A Feminine Viewpoint...

By Mona Baker

For a few hours clocks will be turned back as members of Our Lady of Perpetual Help Mothers' Club reminisce about those early pre-war and war years. The occasion will be their annual fashion show which this year has the theme of "Memory Lane" and will honor all past presidents of the club beginning with the year 1939.

Twenty-four years have passed since the first meeting of the group, and with the passage of time have come many changes. A few of the past presidents have moved away but surprisingly enough many are still Daly City residents.

The elegant affair will be held at beautiful Thunderbird Hotel in Millbrae on Oct. 19. The lovely paneled and mirrored room will be festive with floral decorations. Fashions will be from "The Fashion" and New England Shop of Westlake. Both women and men members of the parish will be modeling.

Committee chairmen have been working on the show for many months. This Thursday evening (Sept. 12) will be the first general meeting of the group this fall. Highlighting the evening's program will be a report of the coming show.

Fashion show committees include: General chairman, Gloria Holmberg, co-chairman Barbara Parodi, reservations; Madeline Drew, Evelyn McGuire, decorations; Rosemary Valente, Claire Tafralis, investment; Barbara Gudelj, Louise Lofrano, hostess; Virginia Stanley, program; Doreen Brown, Lorraine Mignault, door prize chairmen; Rita Perkov, Loise Schweitzer, table favors; Alice Chelone, backstage chairman; Marian Balestriri, Ita Koudourles, donations; Alice Gonsales, publicity; Dorothy Bergin.

For reservations for the coming show telephone Madeleine Drew (PL 5-3382) or Evelyn McGuire (PL 5-0785). Don't forget the date—Oct. 19—so make your reservations soon.

A mother of five youngsters, yet she manages to find time in her busy day to devote to her church and community—truly a dedicated community leader is our interviewee this week.

An active worker in St. Martin's Episcopal Church she has given many hours of volunteer service. She has sang in the church choir for three years, is vice-president of the women's organization and has taught Church School. She has been chairman of many of the church's social functions and also works one day a week as a volunteer at Laguna Honda Home.

She has also given time to other organizations. She has served for three years as Cookie chairman of a Daly City Girl Scout troop and has been a leader. She is on the executive board of Daniel Webster PTA and has been a chairman at their annual carnival.

We salute Margaret Morse as our community leader of the week! The Morse family, husband charles, and children Fansa and Charlotte (attend Westmoor) Margaret (Benjamin Franklin) and Georgia and Charles Jr. (Daniel Webster) are residents of St. Francis Heights and live at 55 Santa Elena.

School begins this week in the little "Swiss Chalet" in Daly City. Actually it isn't a Swiss chalet but looks like one because of the gay early Dutch mural designs at the entrance. It is the start of the fall term of the Village Cooperative Nursery School located at 474 North Parkview Ave.

The school, which was completed last January by many volunteer hours by both mothers and fathers, is a most delightful place for the tricycle set. Gay nursery rhymne characters dance on the walls, the building is spacious and well designed for nursery school activities. If you are interested in enrolling your child telephone Kay Matve (PL 6-8469) for details or drop by the school some morning this week.

SOCIAL WHIRL: If to a busy season is the Episcopal Church Women of St. Martin's Episcopal Church. An important social event is a salad luncheon (Sept. 19) with guest speaker Mrs. Catherine Goodart who will give a book review on Morse West's "Shoes of the Fisherman." The regular monthly meeting of the organization will be held on Sept. 16 with featured speaker Mrs. Keene Halderman, President of Episcopal Women of the Diocese.

NEWS BRIEFS: Members of North Peninsula Circle of Florence Crittenton Home are busy with plans to attend the first annual Peacock Gap Concours d'Elegance hosted by the Marin Circle to be held on Sept. 29 in San Rafael. If you are interested in entering a car or buying tickets telephone Kay Glebow at PL 6-0408. The affair is open to the public.

Westlake Catholic Women held their first meeting of the fall season last Monday evening. Reports of activities for the coming year were given and a delicious dessert was served by hospitality chairman, Pat Formosa, and her hostesses who greeted new members.

REMINDER: Now that the fall season is in full swing we are interested in hearing about your parties, fashion shows, dances—address Feminine Viewpoint, Westlake Times, 3317 San Jose Ave., Daly City.

NURSERY SCHOOL — Mrs. Hortense Bullock (left) teaches art class at Village Nursery School, which begins today, Wednesday, Sept. 11, at 474 North Parkview in Daly City. Murals on the wall were painted by Mrs. Bullock.

Livingston and Bermudez wed

Charlotte Ann Livingston, daughter of Mrs. Mary Livingston, 22 Pond St., San Francisco, was wed to Ramon J. Bermudez, son of Mr. and Mrs. Horacio Bermudez, 83 Acton St., Daly City, Aug. 31.

Vows were spoken in the Basilica of Mission Dolores, San Francisco. A reception followed the ceremonies at Forest Lodge, 226 Laguna Honda Blvd.

The bride wore a gown of white satin of full length flowing to a bell-shaped bottom. Her train was of chapel length. She wore a white veil with a pearl crown and carried a bouquet of white roses and carnations.

Charlotte was attended in honor by Mary Patricia Livingston and by attendants Shirley Livingston, Alice Sadivar and Kathy Bortolin.

The bride's attendants wore full-length empire dresses of seafoam green chanton silk and carried bouquets of tangerine tropicana roses and carnations.

The groom was served by Howard Rohlapp, Jr., as best man with Patrick Livingston, Alfred Bermudez and Daniel Bortolin as ushers.

Father Andre of Mission Dolores wedded the bride and groom.

The bride was given in marriage by her brother, Jack Livingston.

Both the basilica and the reception hall were decorated with white gladiolus and stocks.

The bride's mother wore a dress of turquoise chiffon with matching shoes, hat and purse. The groom's mother was attired in a dress of old rose with matching gloves and hat.

For her honeymoon in Carmel, the bride wore a camel suit with navy blue trim and hat, shoes and purse of matching color.

Mr. and Mrs. Bermudez will make their home in San Francisco.

Mrs. Bermudez attended James Lick Jr. High School and Mission High School in San Francisco and Mr. Bermudez went to Our Lady of Perpetual Help School and Jefferson Union High in Daly City.

Mr. and Mrs. Ramon Bermudez

California has the highest farm income of any state in the nation.

Crittenton to outline plans

The new Northern Peninsula Circle for the Florence Crittenton Home of San Francisco will hold its first fall meeting Sept. 18 at 10:30 a.m. at the War Memorial Community Center, Daly City.

Mrs. Beth Bolton, consultant for family life, Palo Alto High School, will speak.

"Northern Peninsula Circle plans a program of family and community education during the coming year," says Mrs. Jean Markovich, president of the Home; "all mothers are welcome at this first meeting."

"In spite of the number of girls who have benefited from the services of the Home, the number of young girls finding themselves unwed mothers continues to increase alarmingly," says another spokeswoman for the Circle.

First book review talk on "beauty"

The first book review of the fall season will be in form of a discussion by Mr. Samuel Chandler, head librarian of the Daly City Library. Mr. Chandler will speak on "Seek Beauty in Literature and You Shall Find It."

Along this line Mr. Chandler will delve into the classics and present the descriptive beauty of the English language as used by the great writers.

The program is scheduled for Thursday, Sept. 26, 10 a.m., Westlake Library. There will be a coffee hour, and the public is most cordially invited.

For their second program the Friends will have Mr. Edgar N. Stone, Vice President of the San Francisco Zoological Society, as their guest speaker. This meeting to take place on Oct. 24. Please watch for details on this program at a later date.

Creative expression through YWCA classes

Personal Development and Creative Expresion will be yours through the medium of YWCA classes, according to "Y" director Virginia Church. By drawing on the best from within yourself and learning to reflect it in outward appearance, graceful movement, and new talents, you will realize that you are a new and vital person.

"Come to the YWCA Open House, get acquainted, make new friends with women of many interests." The Open House will be on September 12 from 10 a.m. to noon at the Westlake Park Clubhouse. Information about clubs, classes and all other activities will be available at that time. Refreshments will add to your enjoyment, courtesy of the Westlake Bowl. Floral door prizes will be given away by the Westlake Florist. The facilities at the Westlake Clubhouse were offered under the auspices of the Daly City Park and Recreation department.

"Courses offered this fall include bridge, self improvement, hula and swimming for women. Girls will enjoy classes in basic dance, ballet, hula or charm. Swimming and creative group play are offered to the tiny tots. Other classes are being planned; if you are interested in some special subject and sufficient interest is shown by others in forming a class, we'll try to add it to our program.

Registration will be taken for "Y" classes, which start the week of September 16, at the Open House. Active Y-Wives groups in Daly City and Pacifica will welcome new members. The "Y" Bowling League will hold its first "get acquainted" meeting to organize on Sept. 17 at the Westlake Bowl at 9:30 a.m. Teams will start playing on Sept. 24. Y-Teen club plans are being formulated.

"Everything you want is within easy reach at the YWCA, the "Y" is a membership organization (at a modest fee), which provides professional leadership, program and facilities. Nominal fees for classes assures you of highly qualified instructors."

The San Mateo YWCA office is located at 375 South Mayfair in Daly City. The telephone number is PL 6-7370, please call for any further information.

YWCA LEADER — Virginia Church is the new director of the San Mateo County YWCA. A former buying sales training director, fashion coordinator and store manager and a former Director of Education for a national finishing and career school and head teacher for its entire chain of over 50 schools. She will greet guests at YWCA Open House Thursday.

CHARM INSTRUCTOR—Diane Darnell, charm instructor, be an instructor this fall at the North County YWCA in Daly City. For information Call PL 6-7370.

St. John's Ursuline guild plans luncheons

Ursuline Guild of St. John's High School are presenting a series of their popular weekly luncheons and games. The first date will be Tuesday, Sept. 17, continuing and including Tuesday, Nov. 19. Menus will vary each week, with a different and delicious main course, dessert and beverage. Luncheon will be served at noon at the high school auditorium, 4056 Mission St. Admission, $1.50.

All proceeds benefit the Ursuline High School. New equipment for the typing room will be purchased with these funds.

Mrs. Wesley Harvey will be chairman, and 12 A Mothers are hostesses for the initial luncheon.

Catholic daughters meeting to begin

After enjoying an uninterrupted eight-week summer recess from meeting attendance, members of Court St. Mary, No. 1155, Catholic Daughters of America, have resumed their regular meeting schedule and meet on the first and third Thursdays of the month at Our Lady of Perpetual Help Hall, Daly City.

Mrs. Marcel Covell and Mrs. Esther Day, Whist co-chairmen for September, announce that the Court will sponsor its first Public Whist of the new term on Thursday evening, Sept. 19, 8:30 o'clock, at the Our Lady of Perpetual Help Hall, 80 Wellington Ave., Daly City. Proceeds will be used to carry on various charitable projects the Court engages in.

The public is invited to attend, a first prize of $5 is to be awarded to the highest scorer of the evening. Many other prizes are being readied by members with surnames beginning with A through G. Refreshments will also be available.

Plans are well under way for the Court's annual birthday dinner and party to be held at the Brentwood Lodge in South San Francisco on Thursday evening, Sept. 26, under the capable supervision of Mrs. James Guglilamoni, chairman, who with her co-chairman, Mrs. Arthur Dikas, state that this year the Court will pay special honor to the ladies who have been members for 25 or more years.

DAR to meet

Mrs. Susan D. Tiffany, Regent, Presidio Chapter, DAR, announces the first meeting of the 1963-1964 season will be held on Monday, Sept. 16, in room 316, War Memorial Veterans Bldg. The business meeting will be at 1:30 p.m.

The program will be at 2:30 p.m. and will commemorate the 176th anniversary of the signing of the United States Constitution on Sept. 17, 1787.

The guest speaker will be Lloyd E. Gowan, Assistant Deputy District Director, U.S. Immigration and Naturalization Service. He will speak on the history and current practices of the Immigration and Naturalization Service. Prospective DAR members are invited.

Volunteers sought by Red Cross

Women volunteers from San Mateo County are needed to help interpret and implement the many Junior Red Cross and High School Red Cross programs to PTA groups, local community agencies, faculty and students.

Mrs. Harold L. Zellerbach, Junior Red Cross Chapter chairman, said in San Francisco, "We're looking for women who have a keen interest in education, in the work of the many community agencies served by Red Cross students, and in the growing development of international friendship among our young people."

Mrs. Zellerbach stressed the in-school character of the Junior Red Cross. An appreciation and understanding of service to others, as well as leadership skills, she said, are learned in Red Cross classroom projects carefully tailored to enrich the particular subject—whether it is history, art, music, home economics or craftshop.

"Potential volunteers should be able to give the equivalent of one day a week and to take a ten-hour orientation course," the chairman explained.

Women interested in these volunteer posts can still call the Volunteer Office in Red Cross headquarters. In San Francisco the number is PR 6-1500 and in Burlingame, DI 3-4561.

Seacliff women form fall circles

The Women's Society of World Service of Seacliff Community Church has divided its group into three circles in order to meet the needs of the women in the community. Each circle will select a woman who lived in Biblical times as the name of the circle. The following circles have been formed and their meeting dates set.

A morning brunch circle under the leadership of Mrs. Del Dilbeck will meet Sept. 17, 10 a.m., in the parlor of the church, located at 50 Northridge Dr., Daly City. For information call PL 5-8324.

An evening dessert circle will meet at the home of Mrs. Edward Knott, who is also the circle leader, at 50 Garrison St., San Francisco, Tuesday, Sept. 17, at 8 p.m. For more information call DE 3-0195.

An afternoon luncheon circle will meet Sept. 18, at 11 a.m. at the home of Mrs. Merle Rosemeyer, 88 Shakespeare St., Daly City. Mrs. Rosemeyer is also the circle leader. Call PL 6-2106 for information.

The program theme for the month is "Blueprint of Purpose." the new by-laws will also be presented.

Starlighters to install Sept. 15

The City of Hope Starlighters will hold their annual installation on Sunday, Sept. 15, at the estate of Mr. and Mrs. Maurice Uglow, 980 Hayne Road, Hillsborough, and will be highlighted by a Hawaiian Garden Party.

Featured will be a planned program of professional entertainment, a catered supper (buffet style) and cocktails will be available. Donation $5 per person. For reservations phone: Blossom Herwitz, EV 6-1438 or Rose Sinuman, WE 1-1726.

Baby hurled at wall

A Daly City mother said tearfully Thursday night that she threw her one-year-old baby against the wall "because voices told me to do it."

The voices, said Mrs. Lois M. Stokes, 26, of 183 Miriam St., spoke to her when she became infuriated by the child's crying.

The baby girl, Jennifer, was taken to San Mateo County General Hospital in critical condition with a brain concussion. Mrs. Stokes was placed in the hospital's psychiatric ward for observation.

Police became aware of the incident when the mother brought the injured child to a doctor's office near the Daly City police station.

PRE-FAB BUILDINGS — to house all vehicles in the Daly City maintenance yard is under construction at a cost of $35,529. The city water department will install water utilities for both buildings. Street department is paving around them and city electrician will install electrical work to save cost. The buildings will eliminate vandalism of vehicles in the yard.

Stingray hits Colma youth

A 12-year-old Colma boy was stung by a stingray while swimming off Thornton beach Saturday afternoon, Daly City police report.

The youth, James D. Tiedje, 479 D St., was treated at Kaiser Foundation Hospital in South San Francisco for leg cuts and was released.

Local men participate in Marine field firing

Three Daly City men will participate in a field firing exercise with their Marine Corps Reserve unit Sept. 6 to 8 at Fort Sill, Okla.

They are among 138 members of the U.S. Marine Corps Reserve's Fifth 105mm Howitzer Battery, stationed at Treasure Island.

The local men are: GYSGT Delores M. DAHLBACK of 184 Frankfort St.; GYSGT Leo LARSEN of 101 Palmcrest Dr.; CPL George M. McNUTT of 09 Forrest and Grove, #25.

The unit will be air-lifted by Marine Corps transport planes to the U.S. Army Artillery and Missile Center at Fort Sill, Okla.

There the battery will receive training in live firing on unfamiliar ground. In addition the members will witness a fire power demonstration.

Something for Everyone

By Samuel Chandler

In the Daly City Public Library there are three titles by Bishop James A. Pike of the Protestant Episcopal Diocese of California. They are "A Roman Catholic in the White House," "The Next Day," and "If You Marry Outside of Your Faith."

The latter of these grew out of Bishop Pike's vast experience in counseling. It minces no words in describing the snags inherent in "mixed marriages." With wise words it clears the air of many misconceptions and constitutes a strong plea to young people to talk frankly of religious matters before marriage.

One's religion, or lack of it, says Bishop Pike, "is his framework of meaning, the source of his priority scale of values, the measure of his hopes, the well spring of his most secure joys." These things, he says, can not be brushed aside as mere matters of private taste even in marriages where one or both parties seek to surrender church affiliations.

One of the most meaningful chapters is "For Those Already In A Mixed Marriage." It is a forthright discussion of relations between the couples themselves and of the problems connected with the upbringing of the children.

Another notable chapter is "A Summary of the Problem and the Solution." It contains a list of books and pamphlets setting forth the principal religious traditions of nineteen denominations.

Delinquency talk at W'lake association

On September 23rd, the Westlake Improvement Association will present as guest speaker, Frank Brabant, Curator of Harold's Gun Club Museum in Reno.

Time: 8:00 p.m.; the place—Westmoor High School Little Theater.

Brabant, a captain of the Sacramento Police Department and a renowned authority in the fight against juvenile delinquency, will discuss the subject.

Branbant's frank talks and his exhibit of the terrorizing arsenal used by juveniles is of necessity limited to adult listeners only.

Popular Judge Frank Blum, constantly active in youth work, will serve as master of ceremonies for the meeting.

Admission is free to all Westlake homeowners and refreshments will be served later by the Westlake Improvement Association.

Selmi leaves Pacifica post

Richard Selmi, missing from Pacifica Planning commission meetings during the past month, last week submitted his resignation from the commission to the city council.

Selmi, a commissioner for the past three years, said he had to resign because business reasons made it impossible for him to attend the commission meetings regularly.

Commission chairman James Fox recently reported that he had been unable to locate Selmi or contact him to learn the reason for his absences.

Fox said there was no regulation limiting the number of meetings a commissioner can miss. However, he observed that commissioners usually leave word when they do not plan to be present.

Fox had asked Pacifica City councilmen to discuss the matter with him in a closed personnel session, but said he was informed just prior to the meeting it would not be necessary for him to attend.

Mayor Harold Feyge said later the council decided not to discuss the matter.

Chester A. Pencek at Castle AFB, Calif.

Technical Sergeant Chester A. Pencek of Scranton, Pa., has arrived at Castle AFB, Calif., with a unit of the Strategic Air Command.

Sergeant Pencek, a personnel technician, previously was assigned to an Air Force unit at the University of Pittsburgh, Pa.

The sergeant is a graduate of Technical High School at Scranton. His brother, Fred Pencek, resides at 911 W. Elm St., Scranton.

His wife is the former Margaret Nolan, daughter of Mr. and Mrs. Luke Nolan of 40 Ocean Grove, Daly City, Calif.

Furnishings Seminar

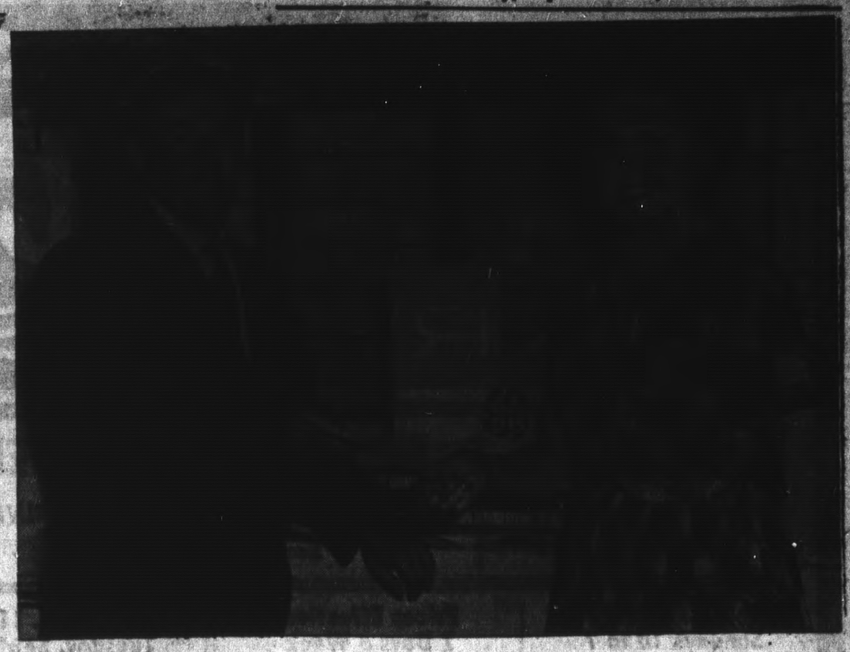
San Francisco, has how or what to buy in home furnishings been puzzling you? Know the best pieces for your home, the construction, the woods, finishes, what's best in carpeting, the proper window treatment, how to use color and accessories? Whatever questions be answered for her by experts in a series of seven Mrs. Consumer might have along these lines are going to weekly — and free — "Creative Planning in Home Furnishings" seminars scheduled by the National Home Furnishings Education Foundation in cooperation with the Adult Education Division of the San Francisco City Schools.

The unique seminars, first such ever to be held in the history of the home furnishings industry will be held from 7:30 to 9:30 p.m. on Tuesday evenings, beginning September 17, in the 9th floor Phoenix Room of the Western Merchandise Mart, 1355 Market Street, San Francisco. Following sessions are set for September 17 and 24, October 1, 8, 15, 22 and 29. Maurice Sands, A.I.D., will conduct the opening session on "How To Plan Ahead."

TOP DESIGNERS

The series is sponsored jointly by the National Home Furnishings Education Foundation, the American Institute of Interior Designers, the Western Merchandise Mart, the National Home Fashions League —Northern California Chapter) and the San Francisco Unified School District. Coordinating the entire program is Ruth Strachan Cole, A.I.D.

This revolutionary program ties in with the Foundation's overall aim of up-grading the professional level of personnel now in the industry so they'll be better able to understand the consumer's wants and give intelligent advice and guidance in the selection and use of home furnishings.



COSTUME MONEY — Mrs. Marie Brennan of 198 Acton St. in Daly City owes the $150 check she received from Adolph Firenzi to her cooking ability. As a finalist winner in Pillsbury's Grand National Bake-Off, Mrs. Brennan has won several prizes. Because she picked up her official entry blank from a General Electric appliance store, Firenze's Suburban House, Mrs. Brennan also received this $150 check from the General Electric Company for her Bake-Off vacation wardrobe. Mrs. Brennan is one of the 10 California Bake-Off winners. California has more finalists in this contest than any other state. All 96 finalists, including Mrs. Brennan, will compete on Sept. 15-17 at the Beverly Hilton Hotel in Beverly Hills. As a finalist Mrs. Brennan is already winner of a General Electric Range and Mixer, a $100 cash prize and full expense money for the trip to Beverly Hills to compete in the Bake-Off.
